

Keeping Them Healthy

Would you like to bullet-proof your children from preconception through to childhood?

*Then don't miss this important seminar for parents, practitioners, and students.
Presented by The Do No Harm Initiative Inc.*

Sunday 28th October 2007

Speakers:

Francesca Naish: *Naturopath and Herbalist from the Jocelyn Centre of Natural Fertility Management:*

Creating a healthy baby – Learn how to detox before pregnancy, improve fertility, and pass on healthy genes to bub – important information for **both** parents-to-be.

Meryl Dorey: *President of the Australian Vaccination Network and Editor of the Informed Voice magazine:*

What on earth are we doing? Our children now receive 54 vaccines. What effect do they have on their immune systems, and when is 'enough enough'?

Fran Sheffield: *Homeopath, Director of Homeopathy Plus! and Spokesperson on homeopathic immunisation for The Do No Harm Initiative Inc.*

Protect your child's vitality – Learn how to treat everyday complaints yourself with homeopathy, immunise with safety and undo vaccine damage.

Karen Wheelwright: *BioMed and Diet Coach.*

Struggling with behavioural problems, learning difficulties, or autism spectrum disorders? Dietary changes can make the world of difference! Learn which ones are best and how to introduce them.
